There are now 1,233 titles in Secondary School Core and 1,440 in Secondary School Core with Backfile. There were no updated titles this month.

Titles Added to Secondary School Core:

[A Companion to the Gilded Age and Progressive Era](#)

ISBN: 9781119775706

A Companion to the Gilded Age and Progressive Era presents a collection of new historiographic essays covering the years between 1877 and 1920, a period which saw the U.S. emerge from the ashes of Reconstruction to become a world power.

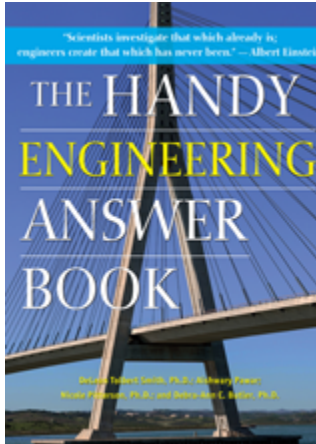

[Handbook of Nutraceuticals and Natural Products: Biological, Medicinal, and Nutritional Properties and Applications](#)

ISBN: 9781119746799

In this two-volume handbook, a team of distinguished researchers delivers a one-stop resource describing the preparation techniques and functional uses of nutraceuticals and natural products with a focus on the technologies involved. The book includes coverage of the biological, medicinal, and nutritional properties and applications of functional foods, as well as the advanced technologies used in the extraction and functionalization

of nano components and the nanomaterial and nanochemical aspects of the products.

The Handy Engineering Answer Book

ISBN: 9781578598021

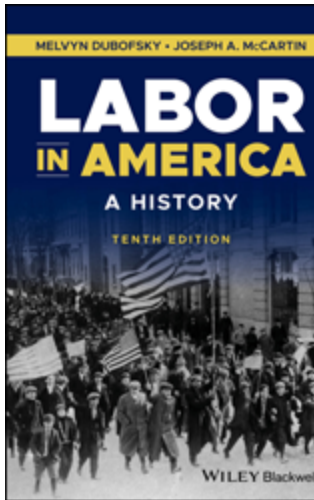

A handy resource on the fundamental facts about engineering for both engineers and non-engineers alike.

The International Encyclopedia of Strategic Communication

ISBN: 9781119010715

Reflecting the current international trend within communication studies generally, this timely reference explores current efforts on the part of thought leaders and practitioners worldwide to critique, integrate, and reengineer forms, structures, functions of, and purposes for external and internal communication of organizations.

Labor in America: A History

ISBN: 9781394208241

The gold standard of American labor history references, updated to include the latest political, social, and economic developments of the 2020s.

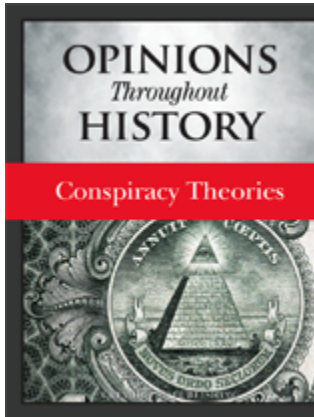

Milestone Documents of the Supreme Court: Exploring the Cases That Shaped America

ISBN: 9781935306863

Milestone Documents of the Supreme Court is a must-have reference source that covers both iconic and controversial decisions from the early republic to the present day. From early decisions that outlined the roles and powers of the 3 branches of government to contemporary cases about LGBTQ rights and reproductive rights, this set pairs each Court decision with in-depth commentary and analysis.

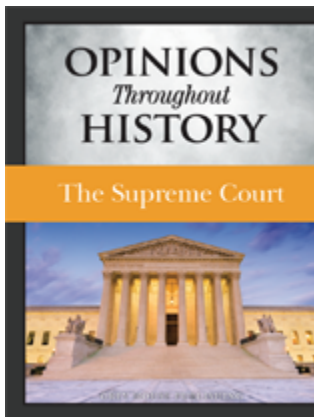

Opinions Throughout History: Conspiracy Theories

ISBN: 9781637005170

This volume examines the unfolding of some of the biggest conspiracy theories in the history of America, from the assassination of JFK to QAnon. Looking deeper into the origins and development of these theories reveal how fear and mistrust have shaped American popular culture and continue to shape attitudes about the perceived secret, hidden nature of America, the world, and even the universe.

Opinions Throughout History: The Supreme Court

ISBN: 9781637005613

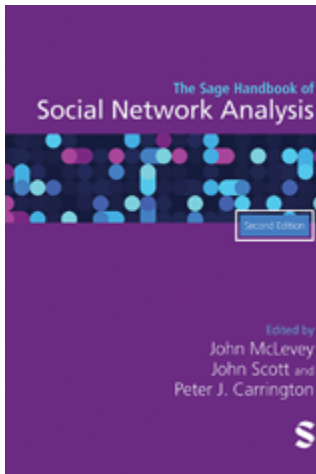

This volume traces some of the most important eras in the history of the Court and examines the personalities of the justices who helped to define and redefine constitutional law throughout the eras. By seeing how ideology, political influence, and struggles for power have shaped the bench, this book attempts to create a better understanding of the Supreme Court's journey and its potential future path.

The Sage Handbook of Global Sociology

ISBN: 9781529614916

The Sage Handbook of Global Sociology provides essential insights on pressing global issues, from postcolonial governmentalities to climate change. With contributions from leading scholars, it is a must-have resource for students, researchers, and scholars interested in sociology, global issues, and social justice.

The Sage Handbook of Social Network Analysis

ISBN: 9781529614671

This new edition of The Sage Handbook of Social Network Analysis builds on the success of its predecessor, offering a comprehensive overview of social network analysis produced by leading international scholars in the field.

Working Americans, 1880-2023: Performing Arts

ISBN: 9781637005545

Profiles span more than 140 years and detail the lives of champions of the arts in one form or another, while at the same time tracing the evolution of performing arts in the United States.
